

WARNING: PLEASE CAREFULLY READ THE PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME PAK OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION - READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES

Some people (about 1 in 4000) may have seizures or black outs triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.

Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.

Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions Altered vision Eye or muscle twitching involuntary movements

Loss of awareness Disorientation

To reduce the likelihood of a seizure when playing video games:

- Sit or stand as far from the screen as possible.
- 2. Play video games on the smallest available television screen.
- 3. Do not play if you are tired or need sleep.
- 4. Play in a well-lit room.
- 5. Take a 10 to 15 minute break every hour.

AWARNING - Repetitive Motion Injuries

Playing video games can make your muscles, joints or skin hurt after a few hours. Follow these instructions to avoid problems such as Tendonitis, Carpal Tunnel Syndrome or skin imitation:

- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists or arms become tired or sore white playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists or arms during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

Leakage of battery acid can cause personal injury as well as damage to your Game Boy. If battery leakage occurs, thoroughly wash the affected skin and clothes. Keep battery acid away from your eyes and mouth. Leaking batteries may make popping sounds.

To avoid battery leakage:

- Do not mix used and new batteries (replace all batteries at the same time).
- Do not mix alkaline and carbon zinc batteries.
- Do not mix different brands of batteries.
- Do not use nickel cadmium batteries.
- Do not leave used batteries in the Game Boy. When the batteries are losing their charge, the power light may become dim, the game sounds may become weak, or the display screen may be blank. When this happens, promptly replace all used batteries with new batteries.
- . Do not leave batteries in the Game Boy or accessory for long periods of non-use.
- Do not leave the power switch on after the batteries have lost their charge. When you finish using the Game Boy, always slide the power switch OFF.
- Do not recharge the batteries.
- Do not put the batteries in backwards. Make sure that the positive (+) and negative (-) ends are facing in the
 correct directions. Insert the negative end first. When removing batteries, remove the positive end first.
- Do not dispose of batteries in a fire.

It's the 25th century, and the planet Earth is in a state of crisis.

An alien race, the Morolians, has launched an invasion against Earth, randomly shooting innocent victims with a mysterious ray gun. The effect of the ray is rather unusual, as it forces people to dance uncontrollably, and enslaves them to alien rhythms.

Of course, their attack has caused a widespread panic.

The first station to grab the scoop is a little-watched space broadcaster, "Space Channel 5." Sensing a golden opportunity to boost ratings, the director, Fuse, has sent the only reporter left who hasn't been captured, a reporter named Ulala.

The broadcast begins at the location of the first incident - Spaceport 9.

Ulala must copy the Morolians' steps – Up! Down! Right! Left! Shoot! Shoot!

Utala is the only hope we have to defeat the Morolians and free the human victims. The future of the Earth is in her hands.

- Current View Rating Displays what percentage of the viewing audience is watching.
- Pancer Indicator Shows a Morollan icon while they are showing you their moves. An Ulala icon is displayed when it's your turn to dance.

seving and leading

After completing each level, you'll be given the opportunity to save your progress. Pick any open slot to save.

To load a saved game, choose Load, select a previously saved game, then exit out of the Load Game Screen. Select Continue to begin from the saved game's location.

Sharaskars

(Reporter) Ulala

Birthdate: May 30th, 2477

Sign: Gemini

Utala, 22, has been working at Space Channel 5 as a reporter for the last two years. The capture of the other reporters covering the Morolian invasion has seen Utala promoted to the investigative reporting team. This is her big chance to prove her reporting skills to the world.

(Aliens) Morollans The alien race that suddenly invades Earth, the Morolians, are an odd but undeniably cute bunch. Their ray guns turn innocent humans into hypnotized go-go dancers! They are very curious and possess a high level of intelligence. Working together in groups, these are very mischievous and naughty. little creatures.

sharastars

(Director) Fuse

Birthdate: September 21st, 2464

Sign: Virgo

The 35 year-old director of the investigative reporting team, Fuse is normally a laid-back kind of guy. However, there has been a lot of pressure from his superiors, and he's been stressed out lately about the show's ratings. This anxiety has shortened his temper considerably, which probably won't

help morale among his staff.

(Doss) Morolina

Designed to attack luxury passenger ships, this hendish Boss character has captured a group of students. Be careful not to but them while shooting!

(Reporter) Pudding

Birthdate: September 5th, 2480

Sign: Virgo

Pudding, a 19 year-old former teen idol, is a reporter for Channel 42. She has many adoring fans, yet harbors a strong jealousy towards Ulala, who seems to have appeared out of nowhere to steal her limelight.
